Grape varieties: 100% Tempranillo.

Vineyards: A selection of vines planted at higher altitudes, with an average age of 15 years, in order to maximize the variety's fresh, fruity nature.

Harvest: Manual, in small cases during mid-september.

Vinification: In stainless steel tanks at a controlled temperature of 26 °C.

Tasting notes: This wine is representative of the virtues of the Tempranillo variety: intense floral aromas, very fresh red and dark fruit and delicate hints of black liquorice. A fun, fruity wine, perfect to enjoy every day or any Mediterranean dishes, like rice, vegetable, pasta and, of course, all sort of Tapas.
